

Forbes: UK Government Takes Control Freak Approach To Tech [1]

Monday, 13 January, 2014 - 22:00

[1]

Loz Kaye talks to Forbes about the dangers of the Government's inconsistent approach to technology, the 'Great Firewall of Cameron', the problems of the DCMS ministry and it's implications for business.

"They have to engage with the tech community in a broader sense, or it simply isn't going to work and we are going to be left behind."
